

FLIGHT

AT-HOME ACTIVITY

AIRPLANES

With a parent or guardian try making some of these specialized flyers with the help of these airplane websites. Can you predict which plane will fly the farthest? Can you predict which plane will fly the fastest? Can you predict if any of the planes will do loop de loops?

Paper plane 1
Paper plane 2
Origami Throwing Stars

CHALLENGE:

1. Design your own paper airplane and teach someone else how to make it.
2. Count the airplanes in the Nanaimo harbor? How are they different from the airplanes at the airport?
3. How many plants can you find that rely on wind to carry their seeds?
